

CALIFORNIA STRATEGIC  
GROWTH COUNCIL

# Executive Director's Report

Randall Winston

October 11, 2016 | Sacramento, California

# Contents

- i. Communications & Informational Updates
- ii. Affordable Housing and Sustainable Communities Program Funding Distribution
- iii. Sustainable Communities Planning Grants & Incentives Program
- iv. New Technical Assistance Program for Disadvantaged Communities

# i. Communications & Informational Updates

- AB 32 Scoping Plan and Sustainable Land Use
  - Vibrant Communities and Landscapes: A Vision for California in 2050
- Health in All Policies Task Force
  - Update to Title 5 School Facility Siting Guidelines
  - Ongoing: 2017 HiAP Work Plan
- California Healthy Soils Initiative Vision

## ii. AHSC Program Funding Distribution

- Staff exploring regional funding levels for a percentage of AHSC funds in future rounds
  - Stronger role for MPOs to prioritize projects and achieve SB 375 goals
  - Opportunity to align AHSC criteria with performance measures in Regional Transportation Planning Guidelines
  - Opportunity to improve geographic distribution
- Staff to develop options for consideration in 2016-2017 round

### iii. Sustainable Communities Planning Grants & Incentives Program

- \$1.92 million remaining from 2010 funds not used by grantees
- Program report on Prop 84 lessons learned to be presented in December
  - Focus on recommendations to better support plan implementation
- Consider SGC and OPR pilot to support implementation of plans and create best practices

## iv. Technical Assistance Program for Disadvantaged Communities

- Expand technical assistance effort across all cap-and-trade funded programs. Including but not limited to:
  - GHG emissions reduction quantification and strategies,
  - Project planning & management, and
  - Development of key local partnerships to enhance collaboration
- Leverage outreach and capacity-building efforts of disadvantaged community liaisons
- Staff developing program details and timeline, to be presented at next meeting

# **LEGISLATIVE REPORT**

## v. Legislation

- i. AB 2772 (Burke) – Transformative Climate Communities Program
- ii. AB 1613 – Budget Act of 2016
- iii. AB 2087 (Levine) – Regional Conservation Frameworks
